Homecoming—1968

KING AND QUEEN: Ron Parker and Dianne Hammer. FIRST ATTENDANTS: Marc Michaelsen and Dian Iwen. SECOND ATTENDANTS: Ed Hansen and Cathy Friedrichsen. CROWN BEARERS: Stuart Heilman and Susan Wente.

Our Homecoming festivities started on Thursday evening with the Coronation Ceremony. First on the agenda was a pep meeting led by the cheerleaders, followed by three skits by the underclassmen. The highlight of the evening was the crowning of our Royalty, after the Royalty's procession through the candle-lit column formed by the Concert Choir.

Friday afternoon, the classes were dismissed early in order for all to see the parade. Several weeks ahead of Homecoming the classes got together and planned their class floats. There were five floats in all; one representing each class, and one for the Royalty by the cheerleaders and Pep Club. The band led the parade up Maple Street and through town.

The finale of the events was the game at night. We were defeated by Kingsley-Pierson with a final score of 13-6.

Blithe Spirit

PLAY CAST, BOYS: (left to right) Paul Fell (Doctor Bradman), Gary Albers (Charles Condomine). GIRLS: Dianne Hammer (Mrs. Bradman), Dian Iwen (Madame Arcati), Rena Hargens (Ruth Condomine), Connie Downs (Elvira Condomine), Lorna Dutler (Edith).

BLITHE SPIRIT, by Noel Coward, was a smash hit on the London and Broadway stages. The plot tells how novelist Charles Condomine invites into his peaceful home an eccentric, boisterous medium in order to learn the language of the occult for a new book he is writing.

Little do Charles, or his second wife Ruth dream, that a seance by the lady medium will bring back Charles' first wife, now "passed over" for the past seven years. But Elvira, the lovely lady from beyond, appears to make life miserable for Charles, the only one who can see her, and his entire household.

"Inherit the Wind"

On May 1, 1969, the Holstein High School Drama Department presented "Inherit the Wind" by Jerome Lawrence and Robert E. Lee. The play was concerned with the famous Scopes "Monkey Trial," and dealt with the idea of the teaching of evolution, or any other new and different concepts. Directed by Mr. Robert Pinkerton, the 40 member cast dealt largely with the playwrights' view toward the adverse affects of narrow-mindedness and its constricting influence on society's need to move forward.
